

Complaints Handling Procedure

I. General

XNT LTD. (further in the text as “XNT”) goal is to provide high quality investment to its clients. XNT, being licensed and regulated investment services company, shall ensure the setting-up of efficient and effective complaints and redress procedures for the out-of-court settlement of Clients disputes concerning the provision of investment and ancillary services provided by XNT and must put in resolution of complaints arising in connection with the performance of, or its failure to perform, any of its regulatory functions (any such matter, a “Complaint”).

These arrangements must include procedures for a Complaint to be fairly and impartially investigated by a person of sufficient competence who was not directly involved in the matter which is the subject of the complaint, and for the person making the Complaint (“Complainant”).

XNT has established a complaints management function (“CMF”) responsible for the investigation of complaints. This function is carried out by the Compliance department/Compliance officer.

XNT has adopted the following Complaints Handling Procedures.

A Complaint which runs its full course will consist of the following key stages

- a) All Complaints must be submitted in writing or sending e-mail from an authorised e-mailaddress;
- b) Upon receiving a complaint, XNT shall register the complaint in “Complaints Register”;
- c) At first instance, XNT will investigate the Complaint and attempt to resolve it. If the Complainant is dissatisfied with XNT’s response or proposals to redress the Complaint, the Complainant may refer the Complaint to the Consumer Complaints Manager at the Malta Financial Services Authority (MFSA) provided that such person is classified as a consumer in terms of law. Where the complainant does not fit the legal definition of a consumer, he or she may instead file for arbitration proceedings in accordance with XNT’s Terms of Business;
- d) The Consumer Complaints Manager, if it is of the opinion that the complaint is eligible, will investigate the case in accordance with the MFSA’s rules;

- e) XNT or a Complainant may or may not accept the recommendation of the MFSA and the MFSA cannot enforce a recommendation on either party;
- f) There is no restriction on who can bring a Complaint, although a Complaint must be an Eligible Complaint (as defined hereunder) in order to be capable of being handled in accordance with these Procedures.

2. Eligible complaints

Eligible Complaints are Complaints against XNT arising in connection with the performance of, or its failure to perform, any of its regulatory functions.

A Complaint will not be an Eligible Complaint if it:

- a) Relates to XNT's relationship with its employees;
- b) Relates to the content of XNT's rules;
- c) Is connected with a contractual or commercial dispute involving XNT and is not connected in any way with XNT's regulatory functions;
- d) Is made outside the period of 12 months from the date on which the Complainant becomes aware of the circumstances giving rise to the Complaint unless the Complainant can show reasonable grounds for delay;
- e) Is of a frivolous or vexatious nature or amounts to an abuse of process.

3. Making a complaint

A Complaint should be made in writing and sent by authorised e-mail to complaints@exante.eu and/or by registered mail to:

XNT LTD.

The written Complaint should include sufficient information to allow XNT to properly identify the matters to which the Complaint relates, the activities complained of, and the basis for any alleged loss or other detriment of the Complainant.

4. Investigation of complaints

At the first instance, an investigation into the Complaint will be conducted by a suitably senior member of staff who has not previously been involved in the matter and who is not the subject of the Complaint.

XNT will acknowledge the Complaint within 48 hours of receipt, giving the name and job title of the individual handling the Complaint and including a copy of these Complaints Handling Procedures.

XNT will seek to resolve any Eligible Complaint as quickly as possible. In normal circumstances, XNT should be in a position to respond within two months after receipt of the Complaint. However, where the scope of the Complaint reasonably demands further investigation, after two months XNT will write to the Complainant explaining why the matter has not been resolved, indicating when a final response is likely to be made. The notification should be sent within seven (7) business days after the end of 2-months investigation period.

If the matter has not been resolved within two months, the Complainant will have the right to refer the Complaint to the Consumer Complaints Manager.

Where, in the opinion of XNT, any Eligible Complaint is connected with or arises out of the same or similar facts or circumstances in respect of which an outstanding or otherwise unresolved Complaint has been made under these Procedures, XNT may, in its absolute discretion and upon giving notice in writing to any Complainant or Complainants so concerned, join such Eligible Complaints so that they may be addressed in the same investigation and/or any final response. XNT shall not in such circumstances be obliged to disclose the identity of a Complainant or facts that in its opinion would be likely to reveal such identity when notifying any individual Complainant of such a joinder or in its drafting of a final response.

XNT may obtain professional advice as appropriate.

Complaints are investigated and handled free of charge.

5. Result of the investigation

XNT will inform the Complainant of the outcome of the investigation, together with any proposed remedial action. The remedial action taken may include, but will not be limited to, offering an apology, taking steps to rectify the error, the offer of a compensatory payment on an ex gratia basis, or a combination of the above. If a Complaint is rejected, XNT will give its reason for doing so.

XNT may, where it deems it necessary, itself refer any Complaint to the Consumer Complaints Manager for investigation.
