- 3.1. You acknowledge, recognise and understand that trading and investments in leveraged as well as non-leveraged Instruments is:
- 3.1.1. highly speculative;
  - 3.1.2. may involve an extreme degree of risk; and
  - 3.1.3. is appropriate only for persons who, if they trade on margin, can assume risk of loss in excess of their margin deposit.
- 3.2. Margined trading carries a high risk. Please note:
- 3.2.1. you may sustain a total loss of initial margin funds and any additional funds deposited with the Company to maintain your position, in addition to any liability;
  - 3.2.2. if the market moves against your position or margin levels are increased you may be called upon to pay substantial additional funds on short notice to maintain your position;
  - 3.2.3. if you fail to comply with a request for additional funds within the time prescribed, the Company in its sole discretion may liquidate any or all of your positions at a loss;
  - 3.2.4. whether you make a profit or a loss will depend on fluctuations in the price of the respective instrument which is outside the Company's control.

3.3. You must make an independent decision as to whether or not to enter into Margined Transactions. Please note:

3.3.1. the Company does not provide advice, and will not advise on the merits or otherwise of your Margined Transactions;

3.3.2. the decision to place a Margined Transaction is yours alone. You (and not the Company) are responsible for the effect a Margined Transaction might have on any open positions.

3.4. Client Order Execution Policy: Pursuant to MiFID II and the FCA Rules contained in the FCA Handbook which implement MiFID II, the Company is required to put in place an order execution policy and take all sufficient steps to obtain the best possible results for its clients (except for Eligible Counterparties) by taking into consideration the best execution factors.

The Company advises you to read its Client Order Execution Policy carefully each time prior to placing Orders or entering into any Transaction with or through the Company. By placing any Order or entering into any Transaction with the Company, you are giving your consent to LHCM's Client Order Execution Policy then in place.

The Client Order Execution Policy may be reviewed and amended from time to time, and we will post any material amendments to the Client Order Execution Policy on the Website or notify you thereof through other means. Any amendments to the Client Order Execution Policy will come into effect when posted on the Website or otherwise notified to you (whichever is the earliest).

If the Company executes any Order on your behalf or receives and transmits any Order for execution on your behalf, such Order will be handled in compliance with Client Order Execution Policy as applicable at the relevant time; provided that whenever you give a specific Instruction, we will carry out the Order following the specific Instruction. You hereby acknowledge and agree that any specific Instructions from you may prevent the Company from taking the steps that it has designed and implemented to obtain the best possible result for the execution of those Orders in respect of the elements covered by those Instructions.

When carrying out the investment services of reception and transmission of Orders or execution of Orders on your behalf, the Company may use execution venues (including regulated markets, multilateral trading facilities, systematic internalisers) or other entities as counterparties. The Company shall ensure at all times that execution venues and execution entities with which the Orders are placed or to which the Orders are transmitted have adequate arrangements in place to maintain ongoing compliance with the MiFID II obligations for execution.

- 3.5. Incidental information: Where the Company provides general explanation of trading, market commentary, guidance on shareholding disclosure or other information:
- 3.5.1. this is incidental to your dealing relationship with the Company. It is provided solely to enable you to make your own investment decisions and does not amount to a personal recommendation or investment advice;
  - 3.5.2. the Company gives no representation, warranty or guarantee as to the accuracy or completeness of such information or as to the legal, tax or accountancy consequences of any Transaction;
  - 3.5.3. where information is in the form of a document containing a restriction on the person or category of persons for whom that document is intended or to whom it is distributed, you agree that you will not pass it on contrary to that restriction;
- 3.6. Loss of assets: You acknowledge and agree that the Company's liability for the loss of any of your assets (in particular, any cash or Instruments held in your Account) is limited in terms of this Agreement.

In the event of any loss or prejudice arising from the insolvency, acts and omissions of any Counterparty, Delegate or Securities Depository or any Service Provider, you may have to enforce your rights against such persons directly. You furthermore acknowledge that any delegation made pursuant to Clause 10.4 poses operational, credit, counterparty and legal risks and may be susceptible to systemic risk; if any such risk materialises, your money and assets may be lost or become unavailable; for instance, if customers' money or assets are not segregated on a Delegate's books, it may not be possible to identify the money or assets belonging to you or to reattribute them to you; or if a Delegate or Counterparty becomes insolvent, you may not be able to claim back your assets immediately.

You acknowledge that your assets may be placed or kept in a common, omnibus or client account of the Company or any Delegate or are otherwise commingled with assets belonging to other customers, and that if there is an un-reconcilable shortfall in any such account, you may have to share in that shortfall.

- 3.7. You acknowledge that you are responsible for making an independent appraisal and investigation into the risks of a particular Instrument. LHCM gives no warranty as to the appropriateness of the Instruments and Services and assumes no fiduciary duty in its relations with the Client. You acknowledge that all governmental and other consents that are required to have been obtained by you with respect to this Agreement or any Transactions or Contracts have been obtained and are in full force and effect and all conditions of any such consents have been complied with. The Client assumes all risks that may arise from capital or foreign exchange control, tax or other financial laws in any country, as well as court awards and resolutions or other administrative decisions of the central

banks or other competent authorities that may cause losses or additional expenses to the Client, the Company or third parties.

- 3.8. Your acceptance of this Agreement will be treated as your informed acknowledgment that you have carefully read, understood and are prepared to accept the risks outlined in this Agreement, including in the Risk Disclosure Statement and any other warnings and disclosures that have been made available to you by the Company. If there is anything you do not understand it is recommended that you seek specialist independent financial and/or legal advice, in particular, regarding the suitability of trading in the Instruments concerned.

Similarly, the Company will not provide to or receive from any party (other than you) any nonmonetary benefit in connection with the provision of investment services.

By way of derogation of the above, you acknowledge that fees, commissions, and/or non monetary benefits may be paid or provided by or to third parties in connection with the Services, which are designed to enhance the quality of the relevant Service(s) ("Inducements"). The Inducements which may be provided or paid as at the date of this Agreement, are summarised below.

LHCM has concluded or may conclude agreements regarding the introduction or referral of clients with Introducers, in terms of which it is or may be obliged to pay remuneration, in the form of commissions or otherwise, to the Introducer.

The Company may receive remuneration from, or share charges with, an Affiliate or other third party in connection with Transactions carried out on your behalf. In particular, the Company may be entitled to receive commissions or rebates from certain Counterparties, where a certain volume threshold is exceeded.

In general, where you are referred by an Introducer, we may pay the Introducer a commission or referral fee of up to 50% per annum. In other cases and in accordance with our licensing conditions, and applicable law, we will provide you upon request or where required before provision of the relevant service with further details on the existence, nature and amount, or where the amount cannot be ascertained, the method of calculation of the amount, of the relevant Inducements. In addition, where required under our licensing conditions and applicable law, we may on an annual basis provide details of Inducements paid or received during the year in particular where the exact amount could not be ascertained upfront.

- 5.8. Currency indemnity: If the Company receives or recovers any amount in respect of an obligation of yours in a currency other than that in which such amount was payable, whether pursuant to a judgement of any court or otherwise, you shall indemnify us and hold us harmless from and against any cost (including costs of conversion) and loss suffered by the Company as a result of receiving such amount in a currency other than the currency in which it was due. It is your responsibility to manage your currency risks after the Company charges have been debited.
- 5.9. Late payments: In the event of late payment under the provisions of this Clause 5 or of any other amount due by you under this Agreement, you agree to pay interest on any amount owed by you to us,

in consideration of mere delay of payment, at the maximum rate allowed by Applicable Regulations from time to time (or if no maximum rate is established, the statutory rate), and you waive any right of abatement of such interest. You further agree to reimburse the Company for all costs of collection of payments owed to the Company under the provisions of this Clause 5 or as otherwise provided in this Agreement, including legal fees and third-party collection fees or charges.

## 6. Confidentiality and Data Protection

- 6.1. The Company will treat all information about you and your Accounts and Transactions ("Client information") as confidential, even when you are no longer a Client. LHCM will keep Client information for as long as it is required by Applicable Regulations. You consent, however, that LHCM may disclose Client information without the obligation to obtain your additional approval:
- 6.1.1. to other companies in LHCM's group (Affiliates), and that LHCM and Affiliates may disclose it to those who provide services to LHCM, or act as agents or with whom LHCM or Affiliates enter into partnership agreements or other financing agreements on the understanding that they will keep that information confidential;
  - 6.1.2. to anyone to whom LHCM transfers or proposes to transfer either LHCM's rights or duties under this Agreement; to any third party as a result of any restructuring, sale or acquisition of any company within the group provided that any recipient uses your information for the same purposes as it was originally supplied to LHCM and/or used by LHCM; to credit reference agencies or other organisations that help LHCM and others make credit decisions and reduce the incidence of fraud or in the course of carrying out identity fraud prevention or credit control checks;
  - 6.1.3. to regulators and governmental agencies, in any jurisdiction, where LHCM is required to do so by Applicable Regulations;

  - 6.1.5. to issuers (or their authorised representatives) of the respective Instruments held on your behalf, revenue or government supervising authorities, or other competent authorities of the United Kingdom, the European Union or other countries, if it is required in order to ensure compliance with any Applicable Regulations, or to ensure performance by the aforementioned persons of their statutory duties;

- 6.1.6. to supervisors or auditors of LHCM;
- 6.1.7. to supervisors of financial and capital markets or to stock exchanges, if it is required in accordance with Applicable Regulations;
- 6.1.8. to courts, courts of arbitration, or for the sake of out-of-court dispute resolution pursuant to the provisions of Applicable Regulations;
- 6.1.9. to other third parties, where there is a public duty to disclose or LHCM's interests require disclosure, or where the information was previously publicly available, or at your request or in other cases, if permitted under Applicable Regulations.

You agree, that in the aforementioned cases LHCM shall also be entitled to transfer Client information outside the UK subject to Applicable Regulations.

- 6.2. Without prejudice to Clause 6.1, neither Party hereto will (except under compulsion of law or as otherwise required pursuant to this Agreement), either before or after the termination of this Agreement, disclose to any person not authorised by the relevant Party to receive the same, any confidential information relating to the relevant Party or to the affairs of such Party which has come in the possession of the Party disclosing the same in the performance of this Agreement, and each Party will use all reasonable endeavours to prevent any such disclosure as aforesaid. No Party to this Agreement will knowingly do or suffer any act or matter or thing which would or might reasonably be expected to prejudice materially or bring into disrepute the business or reputation of any other Party.
- 6.3. Personal Data Protection: For the purposes of this Agreement, "GDPR" means the General Data Protection Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data including as amended and applicable in the UK as a result of the European Union (Withdrawal) Act 2018, as may be amended or replaced from time to time, and includes any related guidance provided by the Information Commissioner's Office, the European Data Protection Board or any other competent authority; and the words and expressions "controller", "data subject", "personal data", "process / processing", "processor" and "third party" have the same meaning as is assigned to them under Article 4 of GDPR.

Personal data: For the purposes of this Agreement, "personal data" means any information relating to an identified or identifiable natural person ("data subject"); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.

Before providing the Company with any personal data you should ensure that the individuals to whom the personal data relate have consented to you providing the Company with their data and are aware of their rights as data subjects under the GDPR, of the Company's identity and that the Company may use their information for the purposes set out below.

To the extent that the Company, as a controller and a processor, processes any information that constitutes personal data, in the performance of this Agreement, the Company undertakes to process such data in accordance with the provisions of the GDPR, in the manner and for the purposes indicated in this Clause 6 and/or as the Company may disclose on its Website or Online Facility, or notify to the Client from time to time.

The Company will process such personal data as may be necessary for the provision of the Services, in accordance with this Agreement, and as the Company may be obliged or authorised to do by or under the Applicable Regulations (including but not limited to, compliance with the Licence conditions and with applicable prevention of money laundering and funding of terrorism legislation and requirements thereunder applicable to the Company), or in line with any data subject consent to processing that it may obtain from time to time.

Any processing of personal data carried out by the Company or any processor appointed by it, shall be undertaken in compliance with the GDPR.

The Company shall ensure that any processors engaged by it, which are located outside the UK shall be subjected to standard contractual clauses, binding corporate rules or any other equivalent protection measures specified under the GDPR which ensure that transfers outside the UK are subject to safeguards and protection which are equivalent to those provided to data subjects under the GDPR.

The Company shall furthermore ensure that personal data is only disclosed and processed as authorised or otherwise for contractual necessity, in compliance with its legal obligations or pursuant to the Company's legitimate interests. The Company and its Affiliates may use the information for marketing purposes (including letter, telephone, email or other methods) to inform you or other data subjects about services which may be of interest to you or them. You are hereby being notified that you have an absolute right to object to such and may do so by contacting your usual contact within the Company or the Company's Data Protection Officer ("DPO") at [dpo@lhcm.uk](mailto:dpo@lhcm.uk). The Company may retain personal data after you cease to be a client, for as long as permitted for legal, regulatory, fraud and legitimate business purposes.

You hereby agree to the processing of personal data relating to you, your officers, agents, employees, and other persons related to you in accordance with the provisions of this Clause 6 in relation to the processing of personal data as described above, as may be required by or under the applicable laws.

6.4. Your rights: As a data subject, you are entitled to a number of rights under the GDPR. These rights include the right to:

- Request access to your personal data (commonly known as a “data subject access request”). This enables you to receive a copy of the personal data we hold about you and to check that we are lawfully processing it;
- Request correction of the personal data that we hold about you. This enables you to have any incomplete or inaccurate data we hold about you corrected, though we may need to verify the accuracy of the new data you provide to us.
- Request erasure of your personal data. This enables you to ask us to delete or remove personal data where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove your personal data where you have successfully exercised your right to object to processing where we may have processed your information unlawfully or where we are required to erase your personal data to comply with local law. Note, however, that we may not always be able to comply with your request of erasure for specific legal reasons which will be notified to you, if applicable, at the time of your request.
- Object to processing of your personal data where we are relying on a legitimate interest (or those of a third party) and there is something about your particular situation which makes you want to object to processing on this ground as you feel it impacts on your fundamental rights and freedoms. You also have the right to object where we are processing your personal data for direct marketing purposes. In some cases, we may demonstrate that we have compelling legitimate grounds to process your information which override your rights and freedoms.
- Request restriction of processing of your personal data. This enables you to ask us to suspend the processing of your personal data in the following scenarios: (a) if you want us to establish the data's accuracy; (b) where our use of the data is unlawful but you do not want us to erase it; (c) where you need us to hold the data even if we no longer require it as you need it to establish, exercise or defend legal claims; or (d) you have objected to our use of your data but we need to verify whether we have overriding legitimate grounds to use it.
- Request the transfer of your personal data to you or to a third party. We will provide to you, or a third party you have chosen, your personal data in a structured, commonly used, machine-readable format. Note that this right only applies to automated information which you initially provided consent for us to use or where we used the information to perform a contract with you.
- Withdraw consent at any time where we are relying on consent to process your personal data. However, this will not affect the lawfulness of any processing carried out before you withdraw your consent. If you withdraw your consent, we may not be able to provide certain products or services to you.

Such rights may be exercised by contacting your usual contact within the Company or by contacting the Company's DPO directly at [dpo@lhcm.uk](mailto:dpo@lhcm.uk).

Such requests must be made by the relevant data subject and will be handled by us in accordance with GDPR.

6.5. The Company, its Affiliates, its Delegates, the Counterparties, and the Service Providers and other persons processing personal data, are also subject to and required to comply with data protection legislation in the relevant jurisdiction, including the GDPR.

## 7. Conflicts of Interest

- 7.1. Conflicts of Interest Policy: The Company is required to have arrangements in place to identify, prevent and manage conflicts of interest. The Company has identified potential conflicts of interest and they are managed in accordance with the Company's Conflict of Interest Policy. If the Company faces conflicts of interest with the Client, it will have regard to its obligations prescribed by the Applicable Regulations and under this Agreement, and will in particular ensure that all reasonable steps designed to prevent conflicts of interest from adversely affecting the Client's interests are taken. Where the organisational or administrative arrangements made by the Company to manage conflicts of interest are not sufficient to ensure, with reasonable confidence, that risks of damage to the Client's interests will be prevented, the Company will disclose the nature and/or sources of conflicts of interest to the Client before undertaking business on the Client's behalf. Please refer to our Conflicts of Interest Policy for further information on how we manage conflicts. Upon request, we will provide you with any further details in that regard.
- 7.2. Disclosure: The Company shall not be obliged to disclose to you or take into consideration any fact, matter or finding which might involve a breach of duty of confidence to any other person, or which comes to the notice of any of the Company's directors, officers, employees or agents but does not come to the actual notice of the individual or individuals dealing with you. You agree that the Company may transact such business without prior reference to any potential specific conflict of interest.

## 8. Accounts and Payments

- 8.1. Account Preconditions: An Account must be opened prior to placing any Order or entering into any Contract or Transaction with LHCM. No Orders can be placed until an Account has been opened and cleared funds (to such amount as may be specified by the Company) received. Without prejudice to the foregoing, if the Company permits you (at its sole discretion) to place an Order notwithstanding that an Account has not been opened, or cleared funds have not been received, this shall not limit your liability to LHCM under this Agreement in respect of the Order placed.

- 8.2. Account Currency: You shall designate a base currency of your Account in which the Company will recalculate net asset value of your positions. This Account base currency may be changed from time to time, upon reasonable request, at your expense. The Company has a multi currency settlement account structure whereby a new currency account is added whenever a certain currency position is entered.
- 8.3. Credit Assessment: To assess your creditworthiness, manage credit risk and to prevent fraud (or other criminal activity) you acknowledge and agree that the Company may, at its discretion:
- 8.3.1. make periodic searches and enquiries about you and any related party at credit reference agencies, and your employers, if applicable;
  - 8.3.2. disclose information to organisations involved in fraud prevention; and
  - 8.3.3. obtain information from and disclose information to other broker-dealers or investment managers which deal in or manage investments for you concerning any payment or security default or concerning any investment which is related to or connected with Margined Transactions which you seek to open with the Company.
- 8.4. Credit Limit Maintenance: Any limits for your Account (including any credit limits) will be set and varied from time to time with regard to your credit status and, where applicable, the amount of funds held with LHCM. The Company may, in its sole discretion apply a limit to:
- 8.4.1. the size of any Order, Contract or Transaction or series of Orders, Contracts or Transactions that you may enter into; and
  - 8.4.2. the amount of leverage or any loss or liability to which you may be exposed.
- 8.5. Credit Disclosure: Account limits do not limit or represent your liability for losses to the Company, and the funds you may have from time to time with the Company as Margin, Client Money or otherwise do not represent any limit upon your financial liability to us.
- 8.6. Deposit Terms: The Company will only accept money from you by wire transfer. No cash or cheques will be accepted. Payments may be denominated in US Dollars, Euro or other currency if agreed so. You agree to make payments due to the Company under this Agreement in accordance with the following terms:
- 8.6.1. all transfer or other bank fees in respect of payment by you shall be solely at your expense;
  - 8.6.2. if any payment is not received by the Company on the due date for payment then, without limitation of any other rights which the Company may have, it will be entitled to charge interest

- on the overdue amount (both before and after judgement) at the rate specified in Clause 5.9 from the date payment was due until the actual date of payment, for mere delay, and you waive any right of abatement of such interest, in accordance with Clause 5.9;
- 8.6.3. you shall pay the Company on demand in a full indemnity basis all costs, charges, and expenses incurred by the Company in relation to any overdue payment;

However, the Company may at its discretion elect to withhold (or if applicable, deduct) any payment requested (in whole or in part) due to you if:
- 8.8.1. open Margined Transactions on the Account show notional losses;
- 8.8.2. the Company reasonably considers that additional funds may be required to meet any current or future Margin requirement on open Margined Transactions due to underlying market conditions;
- 8.8.3. you have any actual or contingent liability to the Company under this Agreement; and/ or
- 8.8.4. the Company reasonably determines that there is an unresolved dispute between you and the Company in connection with this Agreement.
- 8.9. Payments from the Company: Without prejudice to Clauses 8.8, 11 and 14, Client's Money credited to your Account will be returned upon your request in GBP, Euro or US Dollars unless another currency is agreed in advance between you and the Company. Payments will be made in the form of a wire transfer to the bank account from which funds were transferred to the Company, unless otherwise agreed. The Company shall not be obliged to make any payment to you unless your cash balance of Client's Money remaining after making the payment would be sufficient to cover your Margin and any unrealized losses in relation to your open Margined Transactions.

- 8.10. You hereby agree to fully indemnify and hold the Company harmless against any costs or expenses (including all legal costs) which the Company may incur, either before or after the commencement of any legal action, to recover any amounts due to the Company as a result of your failure to make payment within the stipulated period.

Without prejudice to the generality of the foregoing, where a Transaction is entered into in a currency for which insufficient funds are available in that currency on the Account, the Company may, at its discretion, convert any funds in any other currency into the currency of the Transaction at prevailing market rates available to the Company, at your expense.

The Company is not liable in respect of any act or omission, made in good faith in reliance upon any Instructions believed to be genuine and to have been given by you, nor is the Company in any way liable for any unauthorised Instructions or use of the Services or for acting on or giving effect

to any such unauthorised Instructions or use of the Services and, without prejudice to the foregoing, the Company shall have no responsibility for further inquiry into any Instructions given or the apparent authority of any third party and no liability for the consequences of any actions taken or failed to be taken by the Company or any of its employees, officers or agents, Delegates of Affiliates, in reliance on any Instructions or on the apparent authority of any such authorised person(s).

- 9.3. You shall promptly notify the Company, if you discover or have reason to suspect or believe that an improper Instruction, Order, Transaction or Contract has been initiated using the Authenticators provided by the Company hereunder; provided, however, that you will be bound by the Instruction, Order, Transaction or Contract regardless of whether or not such improper Instruction, Order, Transaction or Contract was authorised by you.
- 9.4. You represent, warrant, acknowledge and agree that you shall be bound by all communications, including all offers and acceptances, which are accompanied by a valid Authenticator (each, a "Customer Order"). You acknowledge and agree that the Company and any Counterparty (i) may rely on, and enforce the terms of, any such Customer Order; (ii) shall have no duty to verify it further and (iii) shall not incur any liability as a result of acting on any Customer Order. You are deemed to have given a Customer Order to the Counterparty when such Counterparty receives such Customer Order through the Online Facility, whether or not you receive any acknowledgement subsequent thereto. You acknowledge and agree that you have an affirmative duty to timely review, for accuracy and correctness, any and all confirmation and reports of executions or orders and/or statements of accounts provided in connection with the use of the Services.

If the Company declines to place an Order or to enter into a proposed Contract or Transaction, the Company shall not be obliged to provide a reason, but the Company shall promptly notify you accordingly. Unless otherwise agreed with you, Instructions for the simultaneous sale and purchase of a security or a financial instrument on behalf of the same beneficial owner may not be given under this Agreement.
- 9.7. Control of Instructions or order Prior to Execution: The Company has the right (but no obligation) to set limits and/or parameters to control your ability to place Instructions at the Company's absolute discretion. Such limits and/or parameters may be amended, increased, decreased, or removed or added to by the Company at its absolute discretion and may include (without limitation):

- 9.7.1. Controls over maximum Instruction amounts and maximum Instruction sizes;
  - 9.7.2. Controls over any of your liabilities under this Agreement and the Company's resulting total exposure to you;
  - 9.7.3. Controls over prices at which Instructions may be submitted (to include (without limitation) controls over Instructions which are at a price which differs greatly from the market price at the time the Instruction is submitted to the order book);
  - 9.7.4. Controls over the Company's Online Facility, including any verification procedures intended to ensure that any particular Instruction or Instructions has come from you; or
  - 9.7.5. Any other limits, parameters or controls which the Company may be required to implement in accordance with Applicable Regulations.
- 9.8. Confirmations: The Company shall send you confirmations promptly for any Transactions that the Company has carried out on your behalf, by electronic means over the Company's Online Facility or otherwise.
- 9.9. If, for any reason the system supporting the Online Facility fails to accept your proposed terms of an attempted Transaction (as reflected by the fact that the attempted Transaction does not appear in a Trade Confirmation), the Company shall not be bound by your proposed terms, regardless of whether or not you were aware thereof, and no Transaction shall have come into existence.
- 9.10. When the economic and other relevant trade details of a Transaction have been accepted by the system supporting the Online Facility and have been made available on your trade statement found on the Online Facility (the "Trade Confirmation"), such Trade Confirmation shall, even if not expressly specified therein, constitute a valid "confirmation" for the purposes of this Agreement, sufficient for all purposes to evidence a binding supplement to this Agreement.
- 9.11. Confirmations shall in the absence of manifest error, be conclusive and binding on you, unless the Company notifies you of an error in the Trade Confirmation. If the Company has notified you of any such error it shall issue a revised Trade Confirmation and the revised Trade Confirmation shall be conclusive and binding on you, unless the Company receives your objection in writing within one (1) Business Day of dispatching the revised Trade Confirmation to you.
- 9.12. Intermediate Broker and other Agents: The Company may at its entire discretion, arrange for any Transaction to be effected with or through the agency of an intermediate broker, who may be an Affiliate of the Company, and may not be in the United Kingdom. Neither the Company nor its directors, officers, employees or agents are liable to you for any act or omission of an intermediate broker or agent.

- 9.13. Performance and Settlement: You will promptly deliver any instructions, money, documents or property deliverable by you under a Transaction in accordance with that Transaction, as may be modified by any instructions given by the Company for the purpose of enabling the Company to perform its obligations under the relevant Transaction.
- 9.14. You shall not place any Orders and the Company shall not be obliged to accept Orders unless sufficient Client's Money and Client's Assets are available on the Account for the settlement of the relevant Transaction, the provision of Margin as may be required and the payment of any related Charges and expenses; provided that the Company may, at its discretion and subject to such terms and conditions as may be agreed, accept Orders where insufficient Client's Money is available at the time of the Order.
- 9.15. Position Limits: The Company or any Counterparty may require you to limit the number of Open Positions which you may have at any time and it may in its sole discretion close out any one or more Open Positions in order to ensure that such position limits are maintained.

The Company is hereby irrevocably authorised (which mandate is given by way of security to the Company which declares to have an interest therein) to terminate and close out all or part of the Open Positions at the Client's expense in accordance with this Clause 9.15 or as otherwise provided in this Agreement; and to perform such acts as may be required in order to ensure that the same can be effected, without notice to the Client (including, to execute and deliver on behalf and/or in the name of the Client or otherwise, any powers of attorney, undertakings, representations and warranties and other documents, and to give any notices, and perform such acts on behalf and/or in the name of the Client or otherwise).

- 9.16. Trade Reporting and Limit Orders: Under Applicable Regulations, the Company may be obliged to make information about certain Transactions public.
- 9.17. Rollovers: In the absence of an offsetting or closing liquidation trade executed prior to the relevant cutoff time on any Business Day, the Company is irrevocably authorised (which mandate is given by way of security to the Company which declares to have an interest therein) to rollover/swap all or any portion of the Open Positions in the relevant Contracts in your Account at the Company's absolute and sole discretion and at your risk and expense, to the next settlement date and to perform such acts as may be required for the rollover/ swap to be effected. Rollovers/swaps will be executed at rates determined by the Company and at the Company's absolute and sole discretion. Rollover/ swap debits or credits will be reflected in the Client's Account at a time after the normal close of the Business Day.

## 10. Client Money and Assets

10.1. Client's Money: Money received from a client by and held under the control of the Company will be credited to the relevant Account and placed in one or more accounts of the Company with a credit institution established and authorised in the UK or a bank authorised in a Third Country in an account designated as client's account (each a "Client Account"). For the purpose of the Services, the Company will keep, transfer or deposit such money as may be required to place Orders, enter into Contracts or carry out any Transactions from time to time, on or to one or more accounts maintained with, the relevant Counterparty/ies or Delegate for trading purposes, including as Margin (each a "Trading Account"), which Trading Account(s) may be common, omnibus or client account(s). For the avoidance of any doubt, any money transferred from a Client Account to, deposited with, or held by any Counterparty or other third party as Margin, or otherwise provided as collateral, will not be considered to be held under the control of the Company, and accordingly will not be considered Client's Money.

10.2. Client's Assets: The Company will not provide safe custody services under the FCA rules in respect of Client's Assets but will delegate and arrange (subject to FCA rules) for the safekeeping of Client's Assets (including any income or Securities received in respect of ownership of such Assets) with one or more FCA authorised firms or other appropriate custodians, which for the avoidance of doubt may include Affiliates of the Company. Such custodians shall be considered as Company's Delegates in accordance with Clause 10.4.

Where the Company arranges for the Client's Assets to be held with a Delegate, or where the Company is required to temporarily handle Client's Assets, it will segregate Client's Assets from assets belonging to the Company; provided that Client's Assets may be placed or kept in a common pool of identical assets or otherwise deposited in an omnibus clients' account. In the event of default on the part of the bank or other institution which causes a shortfall in the assets held in the pooled account, the Client may share proportionately in that shortfall.

10.3. Record keeping: The Company will maintain records and accounts of Client's Money and Client's Assets held under its control. The Company will identify the Client in such records and accounts and indicate that Client's Money and Client's Assets are separate and distinct from money and assets belonging to other clients or to the Company. Without prejudice to Clause 12.1 and 11.4, the Client must notify the Company where any Security Interest over Client's Money or Client's Assets held under the control of the Company has been given by the Client to any third party (except for any Security Interest granted under this Agreement, Margined Transactions or any Transaction Documentation), and where any order by any Court has been made in connection with the Client's Money or Client's Assets, and the Company will indicate the same in its records and accounts.

10.4. Delegation: The Company may delegate all or part of the Services, including its functions and duties regarding the safeguarding of Client's Money and Client's Assets, to one or more intermediate brokers, agents, custodians or other third parties (a "Delegate") in accordance with the Applicable Regulations, and may entrust or deposit all or part of the Client's Money and Client's Assets to or with such Delegate(s).

Without prejudice to the Company's liability for its own acts and omissions as provided in Clause 18.1, the Company will not be liable for any loss or prejudice, directly or indirectly, suffered by the Client as a result of the acts, omissions or insolvency of any Delegate.

10.5. Use of Depositories: The Company may make use (directly or indirectly through any Counterparty, Delegate or other intermediary) of any market clearing system, central counterparty, settlement system, dematerialised book entry system, centralised custodial depository, or similar system (a "Depository") for the purpose of the holding or control of Client's Assets and / or to effect any Transactions under this Agreement. The Company shall not be liable for any loss or prejudice suffered by you as a result of the acts, omissions or insolvency of any Depository or the use of such Depository or the system operated by it.

10.6. Where accounts containing Client's Money and / or Client's Assets are subject to the laws of any jurisdiction outside the United Kingdom, your rights in relation to Client's Money and Client's Assets may differ from your rights under the laws of England and Wales.

10.7. The Company has a Security Interest, a right of retention and a right to set-off as stipulated in this Agreement, and Counterparties, Delegates, Depositories and other third parties engaged by the Company for the provision of the Services or by any of their delegates or Depositories ("Third Parties") may have a right of retention and / or Security Interest over, or right of set-off in relation to the Client's Money and Client's Assets deposited or entrusted with such Third Parties.

10.8. However, we may (but shall not be obliged to) pay interest or charge negative interest on cash balances of any Account or sub-account at a rate and otherwise on such terms as may be determined by us in our sole discretion. We reserve our discretion to pay interest to some (but not all) of our Clients.

10.9. Securities Financing Transactions: You agree that LHCM, its Delegates and any Counterparty may enter into arrangements for securities financing transactions in respect of Instruments held by the Company on your behalf, or held on your behalf in a nominee account maintained by a Delegate or other third party, or otherwise use such Instruments for the account of a third party, subject to the following:

- i. when you transfer Instruments to the Company, you expressly authorise the Company, without giving notice to you, to borrow, lend, pledge, charge, rehypothecate, dispose of or otherwise

- use any Instruments for the account of the Company's clients to the extent permitted under Applicable Regulations, including, without limitation, use in securities financing transactions, and you expressly authorise the Company to and hereby authorise any Delegate and any Counterparty to use the Instruments held with them for securities financing transactions or otherwise, for their own account or for the account of their customers, in accordance with the Transaction Documentation;
- ii. upon borrowing, lending or other use by the Company, such Instruments will become the absolute property of the Company (or that of its transferee) free from any Security Interest and from any right, title or interest of yours;
  - iii. the Company, any Delegate or Counterparty may retain for its own account all fees, profits and other benefits received in connection with any such use of Instruments;
  - iv. upon any such use of Instruments by the Company, you will have a right against the Company for the delivery of Instruments of an identical amount, type, nominal value and description, having the same rights as the other Instruments and, for Securities, are of the same issuer ("Equivalent Assets"). The Company may deliver, or procure delivery of, Equivalent Assets to you by causing such Equivalent Assets to be transferred or designated to your Account. Such Equivalent Assets will upon such transfer or designation become subject to all of the provisions of this Agreement, including without limitation, this Clause 10 and Clause 11.

10.10. Your Account statements will be available online via the Online Facility.

10.11. Reports, statements of Account/s, trade confirmations and all information available via the Online Facility shall be deemed correct and shall be conclusive and binding if you do not object to by telephone or e-mail immediately upon receipt or posting, and such objection (if made by telephone) is confirmed in writing within one (1) Business Day after posting or the transmission to you or if the Company does not change the confirmed execution price and details. The Company reserves the right to change confirmed rates, prices or trade details of executed and confirmed trades if the Company determines that the electronic or oral price or details related to that trade were reported in error. Trade corrections shall be conclusive and binding unless objected to immediately by telephone or email. Written objections on the Client's part shall be directed to the Company and shall be deemed received only if actually delivered, return receipt requested. Failure to object shall be deemed ratification of all actions taken by the Company, its Delegates and/or Counterparties, or Service Providers, prior to Client's receipt or posting of said reports and other information.

10.12. You understand and acknowledge that oral information provided by the Company to you regarding confirmations of trades and statements of Account may be unverified and incomplete due

to delays in transmission and other factors beyond the Company's reasonable control. You therefore acknowledge and agree that any reliance upon such oral information is your risk and you further agree to immediately bring to the Company's attention any such oral information which you have reason to believe is inconsistent with Client's own information.

- 10.13. No provision of this Agreement shall operate to prevent the Company from correcting any error or omission upon discovery. You agree that such errors, whether resulting in a profit or loss (which will be borne by you), may be corrected and your Account will be credited or debited in such manner and extent as to place the Account in the same position in which it would have been had the error not occurred, without any liability on the Company's part.

## II. Margin Conditions and Security Interest

- 11.1. Sufficient assets: You will ensure that sufficient Client's Money and Assets are maintained in the Account, in such amounts or for such value and in such currency as may be specified or requested by the Company from time to time, to meet your obligations under this Agreement including for the provision of Margin. The Company is hereby irrevocably authorised (which mandate is given by way of security to the Company which declares to have an interest therein) to debit and transfer such amount from any Account, without notice:

- i. as required for the payment of any charges and expenses due and payable to the Company by you in terms of this Agreement, in particular Clause 5;
- ii. as required for the payment of any amounts due to any Delegate, Counterparty, Depository, or other third party in relation to any Order, Contract or Transaction carried out or Instrument held on your behalf;
- iii. to keep, transfer or deposit any Margin as may be required in the relevant Client Account(s) and/or to the relevant Trading Account(s), in particular to ensure that posted marked-to-market margin equals or exceeds required margin on Open Positions as may be required pursuant to Transaction Documentation; and
- iv. to perform such acts as may be required in order to ensure that such debits and transfers can be effected.

- 11.2. Margin: For the purpose of the Orders, Contracts and Transactions, you are required to provide and maintain Margin in such amounts and in such forms, and within such limits as the Company or the Counterparties may from time to time require in accordance with the Transaction Documentation. Margin requirements, including initial (opening) margin and maintenance margin requirements,

are at the Company's or the Counterparty's discretion. The Company or the Counterparty may change Margin requirements at any time. Provided that, however, and notwithstanding any demand for additional Margin, the Company or the Counterparty may at any time proceed to liquidate Open Positions in accordance with the Transaction Documentation. The Company or the Counterparty may call for additional Margin at any time the Margin balance falls below the maintenance margin level as applied by the Counterparty.

- 11.3. Margin Calls: The Company may at any time notify you that unless you transfer to your Account(s) such additional Margin to meet Margin requirements, it or the relevant Counterparty may liquidate any or all Open Positions ("Margin Call"). Once issued, you must comply in full with the Margin Call regardless of any currency value fluctuations and irrespective of any recovery in the market value of the subject Open Positions. You may not increase or establish any new Open Positions while any Margin Call remains unsatisfied. Margin does not represent the total extent of your financial liability to the Company or otherwise, as you are liable for all losses in respect of any Contract or Transaction and any other costs or payments due under the Agreement.

Failure to Meet Margin Call: You acknowledge and agree that any waiver of margin or failure to make a Margin Call cannot be relied upon, or treated as, an act, omission or representation as to the current value of any of your Open Position. In the event that you fail to meet a Margin Call, we may immediately close out any of the relevant positions, as well as any pending Orders that may negatively affect your margin balance once executed.

- 11.4. Form of Margin: Unless otherwise agreed, Margin must be paid in cash. The currency of the cash margin you pay to the Company shall be the currency of the relevant underlying Transaction or Contract (if applicable) or as the Company may in its discretion reasonably request from time to time. Margin deposits shall be made by wire transfer or by such other means as the Company may direct.

Non-Cash Margin: Where the Company agrees to accept non-cash collateral as Margin, it must be in a form acceptable by the Company. The value of the non-cash collateral and the proportion of that value to be taken into account for margin purposes shall be determined by the Company in its absolute discretion.

Security Interest: As continuing security interest for the due payment of the Secured Claims, you hereby pledge:

- i. any present and future cash balances standing from time to time to the credit of any Account (excluding any cash provided as Margin) (the "Cash Collateral"); and
- ii. any present and future Instruments in any Account (excluding any Instrument provided as Margin)

or otherwise provided as collateral to a third party collateral taker or a person acting on its behalf (the “Securities Collateral”);

as financial collateral (the “Collateral”) to the Company, subject to the terms and conditions set out in Clauses 14.1 to 14.4 where you are a Client which is a non-natural person, the provision of Collateral shall be deemed as being provided in accordance with the Financial Collateral Arrangements Directive 2002/47/EC of the European Parliament and of the Council of 6 June 2002 (“FCAD”) and applicable in the UK as a result of Financial Collateral Arrangements (No 2) Regulations 2003 (the FCA Regulations). Where you are a Client who is a natural person the provision of Collateral shall be deemed as being provided in accordance with Applicable Regulations. For the purpose of this Agreement the term ‘nonnatural person’ shall have the same meaning as ascribed to it in the FCAD and your provision of the Collateral under these Terms of Business shall be referred to as the “Collateral Arrangement”.

The Collateral Arrangement shall secure until full and final settlement, all present and future, actual or contingent or prospective obligations of the Client, arising under or in connection with this Agreement which give a right to cash settlement, together with all accruing interest and other indebtedness and all losses, costs, charges and expenses incurred by the Company in connection with the protection, preservation or enforcement of its under this Agreement and the Collateral (the “Secured Claims”).

Until a Declared Default has occurred, the Client may use and dispose of the Collateral and operate any Account in accordance with this Agreement; this shall be without prejudice to the use of Instruments by the Company or a third party in terms of Clause 10.9.

The Client hereby:

- i. acknowledges and agrees to the pledge of the Collateral, in accordance with FCAD and/ or other Applicable Regulations, as the case may be (depending on whether the Client is a natural person or a non- natural person) and such other law as may be applicable;
- ii. warrants that the Company will have first-ranking priority with regard to the Collateral, and undertakes not to create or permit to subsist any Security Interest over any part of the Collateral, or knowingly do or permit to be done, anything which might reasonably be expected to depreciate, jeopardise or otherwise directly or indirectly prejudice the existence, validity or ranking of the Collateral, unless otherwise agreed with the Company;
- iii. undertakes to warrant and to defend its right, title and interest in the Collateral and that of the Company under this Agreement against the claims, demands and pretensions of any person whomsoever and the Client shall, at its own expense, perform all such acts as the Company may reasonably require for perfecting or protecting the Collateral Arrangement under this Agreement;

- iv. undertakes to inform the Company promptly upon becoming aware of any seizure by any third party that relates or may relate to the Collateral or any other third-party measures which may impair or jeopardise the Collateral. In the event of any such seizure or measures, the Client shall provide the Company with the order of seizure or declaring the relevant measure and any documents which the Company may request that are necessary or expedient for a defence against such seizure or measures. The Client shall inform the third party promptly in writing of the Collateral Arrangement and render the Company all assistance required or expedient to protect the Collateral.
- v. undertakes to provide the Company with any authorisations and to sign any documents as may be required under any applicable law for the perfection of the Collateral, including the registration of any pledges. The Client hereby also irrevocably and unconditionally authorises the Company, by means of an irrevocable mandate by way of security in favour of the Company (who declares to have an interest in this mandate), to take such measures and perform such acts as may be required (including the provision of any authorisations and execution of any documents on behalf of the Client) for perfection of the Collateral.

Without limiting any other rights or remedies under this Agreement or under the Applicable Regulations, upon a Declared Default, the Collateral may, at the Company's discretion, be realised, in whole or in part, in accordance with the following provisions of this Clause 11.4 and where applicable the FCAD and/or any other applicable law:

- i. upon a Declared Default, the Client shall not be entitled to use or dispose of the Collateral and to make any withdrawals or transfers from any Account, unless the Company expressly consents there to;
- ii. upon a Declared Default, the Company shall be entitled to realise the Cash Collateral, at its discretion, by setting off the amount of any cash balance (as on the date of the Declared Default or thereafter) on any Account, against, or by applying such amount in discharge of the Secured Claims;
- iii. upon a Declared Default, the Company shall be entitled to realise the Securities Collateral, as follows the Company may, at its discretion, sell (including, to any of its Affiliates) or appropriate all or part of the Securities Collateral and set off the value thereof against or apply the value thereof in discharge of the Secured Claims, in such manner and on such terms as it thinks fit;
- iv. the Company shall only realise such Collateral as necessary to settle the Secured Claims (if and to the extent that this is commercially reasonable), but the Collateral Arrangement shall continue to secure any future Secured Claims, until it is terminated or released in accordance herewith. For the avoidance of any doubt, if the Company decides not to realise all the Collateral, it shall be entitled to determine, at its discretion, which part of the Collateral shall be realised;

- v. for the purpose of realising the Collateral, the Client shall, upon the Company's request, promptly furnish the Company with all relevant documents, and shall render all assistance and perform all acts as may be necessary or expedient for the realisation of the Collateral;
- vi. the net proceeds (namely, the proceeds less any taxes, fees, costs and expenses) resulting from the realisation of all or part of the Collateral shall be applied by the Company in discharge of the Secured Claims in such order and/or proportion as the Company shall determine in its absolute discretion.

In realising the Secured Claims through the appropriation of part or all of the instruments forming part of the Securities Collateral, the Company and the Client agree that the value of the instruments so realised shall be determined by reference to the value of the instruments as follows:

- i. in case of listed instruments by reference to their value as quoted on the relevant exchange as at the date of the Declared Default;
- ii. in case of unlisted instruments by reference to the value as at the date of the Declared Default as ascribed to them by an independent valuer appointed by the Company. The cost of the valuer shall be at the cost of the Client.

Without prejudice to the foregoing, the Company shall be entitled to take all measures and perform all acts on behalf of the Client, as may be necessary or expedient for the realisation of the Collateral, and the Client hereby irrevocably and unconditionally authorises the Company, by means of an irrevocable mandate by way of security in favour of the Company (who declares to have an interest in this mandate) to take such measures and perform such acts.

Notwithstanding the realisation of Collateral by the Company on one or more occasions, the Collateral Arrangement shall not expire or terminate before and unless all Secured Claims have been fully and finally discharged and settled, and there is no amount outstanding under the Secured Claims, whether for principal, interest, fees, discounts or other costs, expenses, Charges or otherwise.

Upon full and final settlement of all Secured Claims as mentioned in Clause 11.4, the Company shall at the cost and expense of the Client, confirm to the Client in writing the release of the Collateral, do everything necessary to effect that release, and surrender the surplus of proceeds, if any, resulting from any realisation of the Collateral to the Client.

- 11.5. Right of Retention: LHCM has a right of retention over the Client's Money and Client's Assets, to the extent of any lawfully due but unpaid Charges and expenses under this Agreement, until the same are paid in full by you. The Company may exercise its right of retention by refusing to carry out any Order or Instructions to transfer, realise, dispose of or otherwise transact in any Client's Money and Client's Assets (which the Company may select at its sole discretion) and/or to refuse repayment

of any Client's Money up to a value which is, in the opinion of the Company, sufficient to cover the amount of any unpaid fees and expenses under this Agreement. The Company will notify you of its decision to exercise its right of retention as aforesaid; provided that lack of or delay in notification does not prejudice the Company's right of retention. The Company is not liable for any loss or prejudice suffered as a result of exercising its right of retention.

## 12. Representations, Warranties and Covenants

  - 12.1.13. Except as otherwise agreed in writing by the Company, you are the sole beneficial owner of all money and assets you transfer to the Company under this Agreement, free and clear of any Security Interest whatsoever other than a lien routinely imposed on securities in a clearing system in which such Securities may be held or the Security Interest created under this Agreement; and
  - 12.1.14. Any breach by you of a representation or warranty given under this Agreement renders any Transaction voidable from the outset or capable of being closed by us according to the terms of this Agreement.
- 12.2. Covenants: You covenant to the Company that:

You acknowledge that Taxes and, or costs may exist that are not imposed by or paid through the Company.

For the avoidance of doubt, by entering into this Agreement and agreeing to these Terms of Business, you authorise the Company to deduct from your Account any Taxes, withheld by any Counterparty, Delegate or Securities Depository or any Service Provider of the Company without the obligation to obtain your additional approval, but you shall not be consequently released of the obligation to independently assess your tax liabilities.

Any action shall be binding on you. If a Market or a regulatory body makes an enquiry in respect of any of your Transactions, you agree to fully cooperate with the Company and to promptly supply all information requested in connection with the enquiry.

The Company's obligation to (re-)deliver Securities referred to in paragraph (i) will be converted into a monetary obligation to pay the amount equivalent to (i) the net proceeds of the realisation of Securities (if the Company chooses to realise such Securities on or after the Specified Event) or (ii) the value of the Securities determined by the Company as the amount which is the Company's estimate of the net proceeds that would be realised on a sale of such Securities after deducting all reasonable costs, fees, expenses and Taxes (if any) incurred in connection therewith, based on bid quotations in respect of the Securities of the relevant description (unless the Company determines it to be unreasonably practicable to obtain such bid quotations) obtained as of such date or dates as the Company thinks fit, in its sole and absolute discretion, from two or more market makers or regular dealers in the appropriate market for Securities of that description in a commercially reasonable size (as determined by the Company).

Any such action of the Company shall be without any liability for damages whatsoever.

- 15.4. The termination of this Agreement takes effect: (i) in the event of termination under Clause 15.2, on the date of expiration of the notice period; or (ii) otherwise, on the date of notice of termination given by either Party to the other Party, or such later date as may be specified in the notice (the "Termination Date").

15.9. Without prejudice to any right or remedy which may be available to any Party in respect of the cause of termination of this Agreement, neither Party is entitled to compensation from the other Party solely by reason of the termination where the Agreement is terminated by the other Party in accordance with this Agreement.

The Company reserves the right, without prior notice, to:
- i. amend the details of such Order or Transaction to reflect what the Company considers in the Company’s discretion, acting in good faith, to be the correct or fair terms of such Order or Transaction absent such Manifest Error/s;

No failure by the Company to exercise or delay by the Company in exercising any of our rights or remedies under this Agreement (including any Transaction) or otherwise shall operate as a waiver of those or any other rights or remedies. No single or partial exercise of a right or remedy shall prevent further exercise of that right or remedy or the exercise of another right or remedy.

- 21.9. Partial invalidity: If, at any time, any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Agreement nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall in any way be affected or impaired.

In particular, and without limitation, where this Agreement specifies certain limits or parameters to your trading activities or Margin requirements, the Company shall be entitled from time to time and with or without notice to you to allow you to breach such limits or parameters.
